### Product Description

## Husqvarna 329L Gas Trimmer

Husqvarna gives you real performance from your landscaping tools. The Husqvarna 329L gas string trimmer features a powerful 27.6cc engine and commercial-grade design, including Husqvarna's T35 trimmer head. Equipped with a flex drive shaft, the trimmer offers easier startups thanks to a Smart Start® recoil system and fuel pump. The 329L is the perfect workmate for landowners or professionals looking for powerful and robust trimming performance.
